

## Hong Kong Pipe Band

### REPUTATION

The Hong Kong Pipe Band has been reformed with a newer and fresher look. This has attracted top class musicians from across Hong Kong and internationally. This is quickly gaining the band a reputation as an exceptional Hong Kong band.

### RECENT EVENTS

We have recently performed at functions for the International Woman's Conference in Hong Kong and the product launch for a major international drinks corporation in Macau in addition to various private functions across Hong Kong.

### HIRE THE BAND

The band is able to be as large or small as the function requires. We are able to perform with a full band (12 pipers and 4 drummers), a mini band, duo or single pipers. The band is available for:

- Private and public functions.
- Weddings.
- Product launches.
- Promotions.
- Store openings.
- Other festive occasions.

We play a repertoire of traditional Scottish music and up to date Celtic airs, jigs and hornpipes.

To hire the band, please contact via the website:
